NAME OF MEMBER

A Member entitled to attend and vote at the meeting is entitled to appoint a proxy to attend, speak and vote in his stated. The proxy needs to be a Member of the Association.

The past year has, once again, been a dramatic one. We experienced the following events during the period which, directly or indirectly, impacted Durban Point:

- Riots in July 2021. These had far-reaching implications for the country and, more specifically, Kwa- Zulu Natal.
- Covid disrupted operations all over the world. This seems to be subsiding and the world is returning to normality.
- Flooding in KZN impacted almost everyone to a certain degree in April 2022 and the side effects can still be widely seen as many roads have still not been repaired. Several lives were lost, and properties destroyed.
- On a more positive note, we have also seen construction work in Mahatma Gandhi being completed and the MSC Cruise Terminal opened with cruises returning.

Corporate affairs

Sizwe SNG Grant Thornton is the current auditors for the DPWMA.

The current directors are:

*Mr. B Soban of Durban Point Development Company
Director*

*Mr. N Pillay of Durban Marine Theme Park,

Management and Operations

The Association's business, under the guidance of its elected Board, is to control, manage and administer Public Areas within the Point Waterfront and to monitor the development for the benefit of all stakeholders. To achieve this, the Board appoints a management team, to facilitate and assist with matters related to each service, to receive and make recommendations and suggestions and to direct any specific requests to the Board. The Board, as such, sets the policy and appoints management and staff to carry out the policy and the day-to-day administration of Point Waterfront.

In furtherance of this the Board may:

- Hire, contract or assign officials or companies to carry out services.
- Raise funds to accomplish their duties by way of levies or other means such as levying a fee for the use of the canal or for private functions.
- Appoint individuals or committees as required for advice or assistance.
- Make rules to regulate the conduct of members for the benefit of all.
- Impose financial penalties for non-compliance when appropriate.
- Re-negotiate contracts to cater for changing circumstances.

Precinct Enforcement and Security

During the riots, the security complement has been increased by five (5) officers' day and night for a total compliment of 15 officers during the day and 16 at night, including the dog and handler. Serious crimes remained low and static with very few incidents on public property.

Working relationships between DPWMA and other law enforcement agencies are working in the favour of DPWMA in assisting to limit crime within the area.

For comparison, both the 2021 and the 2022 crime statistics are shown below:

Point Development program

New Passenger Terminal

The construction of the Terminal has been completed towards the end of 2021 and Metro Police is assisting with traffic control during peak hours.

Sewer line rehabilitation

The rehabilitation of the sewer line has been completed in 2021, with snags being addressed early in 2022.

Water line Installation

The installation was completed, and road rehabilitation done over November 2021 to January 2022.

Challenges

The following on-going challenges are being addressed as and when required:

- Taxis and Busses. The challenges with Taxis and Busses have been reduced with Mahatma Gandhi being opened after construction work. DPWMA continues to interact with other role-players (SAPS, Metro Police, Taxi Association and Bus Associations) to address the behaviour of drivers. Our major challenge with especially Taxis is urinating in public. This is addressed through the various associations.
- Vagrants. Vagrants remain a problem. Since this is a socio-economic problem, DPWMA interact with various City Departments to address this.
- Sewer Smell. The current sewer line rehabilitation did not have the effect that the City was hoping for. Challenges within the Sewer Pump Station are ongoing, and the City is considering the option of reinstating the old sewer plant to alleviate problems experienced at the new station.

Canal Management

The canal is being maintained as per service level agreements. The summer of 2022 saw an unprecedented level of algae growth. The algae growth also resulted in the appearance of hydroids in the outflow (weir & storm water drains) systems, requiring regular cleaning and jetting to remove.

Civil and Electrical Infrastructure

Infrastructure is being maintained as per the Service Level Agreement. The support structure of the pedestrian bridge over the canal near the Quays show some signs of rust. Work will commence in June 2022 to rehabilitate.

Financials

Financially, DPWMA remains stable. Levies have not been increased during the past three years. See the AFS included. In terms of levies, three sites/buildings are currently in arrears:

1. Global Business Firms. Currently just over one million & four hundred thousand rands (R1'400'000) in arrears. Global is defending the summons that our attorneys have filed against them. A replication order was filed on 10 March 2022. Our attorneys are waiting for a date for the pre-trial conference before the pre-trial notice can be applied for.

2. Huntrex (Waterfront Hotel). Currently over one million (R1 '100'000) in arrears. This is being handled by the DPWMA attorneys. Investec has brought a liquidation order against Huntrex. Huntrex is defending the action currently through the Constitutional Court.
3. The Palms. Currently in arrears of three hundred thousand (R300' 000) The account was handed over for collection in April 2022. Summons have been issued. Legal costs have been billed to the debtor. Interest raised as per policy.

The City contributions to DPWMA is up to date for the year 2020/2021. The 2021/2022 invoice will be submitted during July to include the period up to June 2022.

Conclusion

We would like to thank every member of the Management Association for their support throughout the year and we are looking forward to serving you for another year. Thank you also for the team on the ground for your contributions.

Chairman Durban Point Waterfront Management Association
